

Riverside County 4-H

Super Presenter Award

The Super Presenter Award is a medal that is given to a 4-H member who has made five or more presentations during the 4-H year. By working to be a Super Presenter, you can develop your skill as a public speaker; you can share the skills and knowledge you have learned in your 4-H projects; and you can promote 4-H in your community. The Super Presenter Awards are announced at the annual Awards Ceremony.

To earn the Super Presenter Award you must:

You can only use a specific presentation for one 4-H year and cannot repeat it during your 4-H career. All presentation categories listed in the State Presentation Manual qualify: Demonstration, Illustrated Talk, Scientific Demonstration, Scientific Illustrated Talk, Educational Display, Prepared Speech, Impromptu Speech, State Impromptu Topics Speech, Interpretive Reading, Share the Fun, Cultural Arts, Audio-Visual Presentation, and Problem Solving Presentation.
